High school days are filled with emotions and they create those special moments that are sometimes forgotten over the years. Between the covers of this 1969 *Scenario*, the *Scenario* staff have tried to preserve and capture all these moments and hope that in the years to come, these moments will be remembered.

Activity Never Ceases

Activity formed an essential part of student life and shaped the student as well as providing an enjoyable time for him. Whether it was a musical, prom, homecoming, or a rally, the students felt an integral part of the school that made activity a never-ending process.

Penny Faxon and Brian Stoudt produce an outstanding performance in the musical "Where's Charlie?"

"Half-Time Huddle" carries the theme of the 1968 homecoming.

A beautiful fountain fashions the centerpiece at the 1968 prom, "Three Coins in a Fountain."

The night before the Louisville football game, a bonfire pep rally was held to insure school spirit.

Aleda Devies and Susan Curtis are tapped as two new members of National Honor Society.

Mr. Umberger teaches the art of dissection as Sue Sadler, Kent Walter, Mary Lou Gott and Lynn Kesterke observe the process.

During the Glenwood game, the team exhibits a strong defense.

An art pot shows an example of the pottery done by the students

Products of Hard Work Are Examples of Knowledge

The lettermen constitute the high achievers of the football team

The home economics classes excel in their sewing as the year passes.

The products of hard work can be seen by the achievements made throughout the year. Many are seen by triumphant smiles, rewarding glances, or an ear-to-ear grin. In whatever way these accomplishments are displayed, the hard work put into the earnings has been a rewarding experience for all involved.

Focus on Familiar Faces

These familiar faces were captured by the cameras. All around the school one can find other familiar faces doing similar tasks but not everyone is alike. These faces hide different personalities. Pictured here are a few of the different personalities found at school.

Richard Sweebe utilizes the magazines provided in the library

Linda Middleton works in the athletic office during her free periods.

During a football game Terry Green gives his undivided attention

Coralee Baughman finds studying in the auditorium difficult.

Debbie Moore and Bill Kress enjoy the time between modules during the day

Carol Price inspects the excellent art ability of Norman Miller

Jim Donenwirth, Val Woolf, and Denise Bedford spend their year in chemistry working with testtubes and bunsen burners.

Departments Progress and Grow

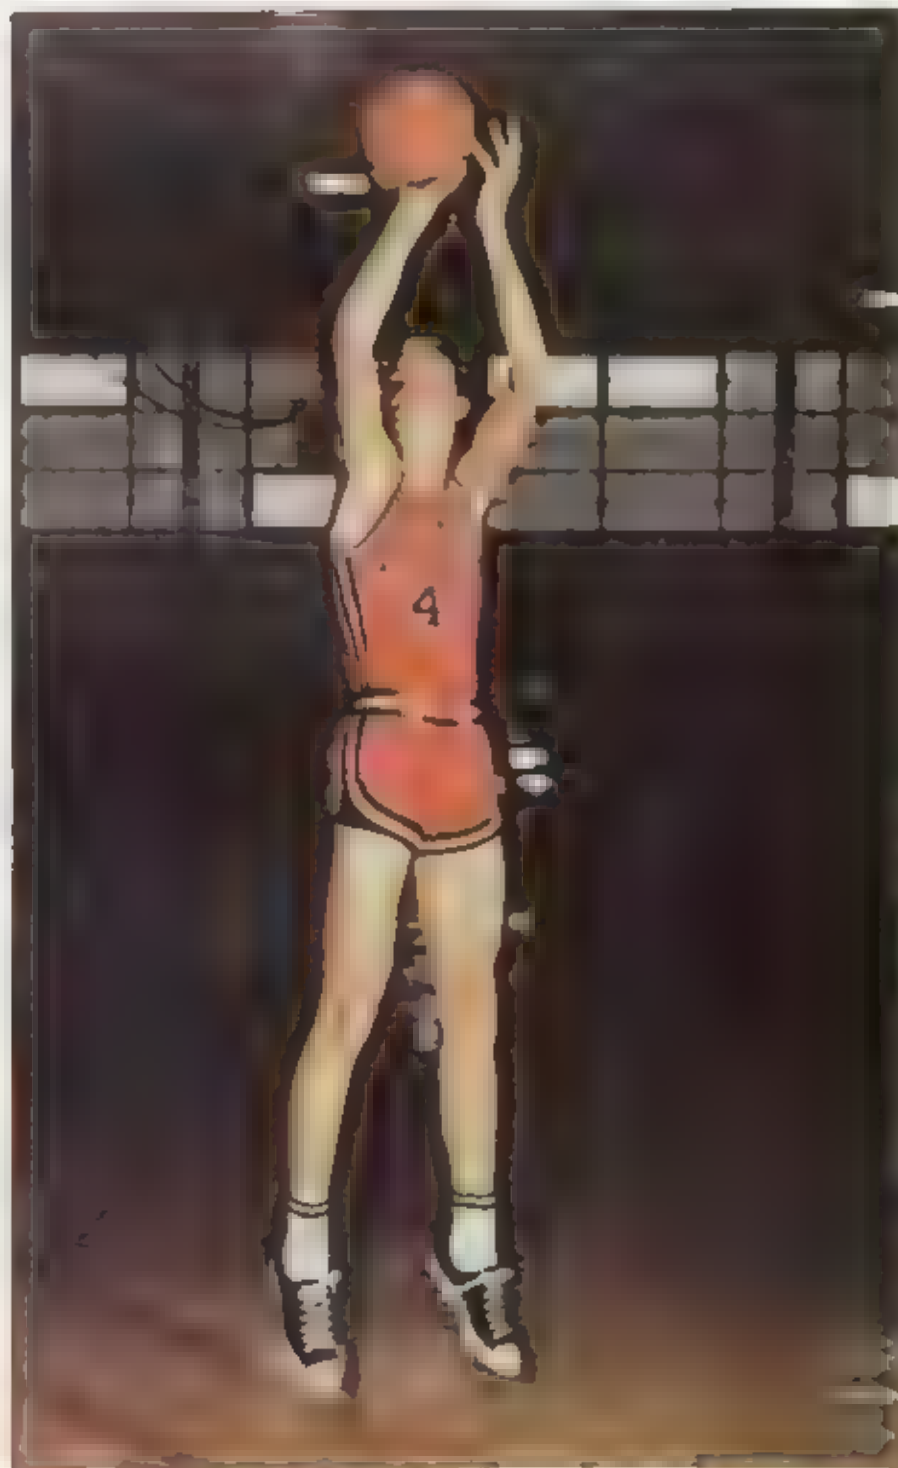

Jim Breit performs as the quarter back for the football team and displays agility during the game

One of the larger tractors of the Vocational Agriculture Department is taken care of by Mike Bishop, Joe Ginther, and Merle Nisly.

Each of the scholastic departments has been supplied with the proper equipment which made the school outstanding. Even the extracurricular activities provide an excellent basis for the individual student to involve himself in his chosen field to make him a more rounded person.

Luke Witte excels in basketball as captain and shows the team has a definite unification.

Individual Effort Helps Organization

Rob Malone proves his interest in speech and sports.

Coach Bob Springer possesses a determination which carried us higher to our goals.

Individual effort on the part of many has made the school outstanding. Everyone, including students, teachers, administrators, custodians, and secretaries, has worked hard to uphold high standards. Each individual performed service whether it was in athletics, clubs, or assigned duties. The sincere concern of many people made it possible for the school to excel as an organization.

Mona Price and Peggy Gibson work together to produce a work of art.

The marching band brings many honors by its numerous performances around the country

The Senior Chorus has a definite professional quality that makes it outstanding and excellent.

Shauna Zarbrugg has found the library an excellent place for reference.

A busy site is the alcove beside the art room where tickets are sold for all events.

The cafeteria is not only a place for eating but also a place for meeting.

Communication Is Everywhere

The crowded halls present a typical scene between modules.

Communication between the students and teachers has helped our faculty cope with problems and situations.

Co-operation and understanding has made communication easier and proved to be an informative source to the teacher. Communication has brought the school closer together and has created a sense of union among the students

The cheerleaders practice diligently and possess a communication with the students.

Debbie Breit presents Coach Springer with a boutonniere as Retiring Duchess Judy Hirst and John Kennedy look on

The 1968-69 Homecoming festivities got under way October 11 with the Homecoming Game against Canton South.

At half-time Mr. Robert Moore presented the Duchess and court, escorted by their fathers.

The following evening at 8:30 the Homecoming Dance began. The theme chosen for the dance was "Half-Time Huddle." At 9:00 the court and escorts were introduced. At this time Debbie Breit was crowned Duchess by the retiring Duchess Judy Hirst. Following the coronation, team members and their coaches were presented boutonnieres by the Duchess and court.

Debbie Breit and Bill Kress are seen enjoying the music of the Paul Halverstadt Orchestra.

Kathy Ream Rules Over Prom

The excitement arises as Kathy Ream is crowned Prom Queen, by Gary Battershell

On May 20, 1968, the Junior Class presented the Junior-Senior Prom, "Three Coins in a Fountain." The school gym was decorated as a spring flower garden with rose arbors, bird baths, and greenery to depict the theme of the prom. The entire prom centered around a water fountain in a large gazebo located in the center of the gym. Each couple who attended received three pennies which they could toss into the fountain anytime during the dance. The dance began at 8.00 with the Wes Clark Orchestra entertaining. At 9:30 Miss Kathy Ream, escorted by Luke Witte, was crowned the 1968 Prom Queen by the Junior Class President, Gary Battershell. Members of the Queen's Court were Marge Lutton, Linda Rinehart, Janice Moore, and Cindy Kimes.

The Queen and Court enjoy the "Royal Dance."

ACTIVITIES

Honor Society Selects Outstanding Students

The National Honor Society was organized by its adviser, Mrs. Meese. The Society meets only two times within the school year. The first meeting was called to elect officers. These officers were Martin Springer, president; Charles Karlen, vice president; Karen Werstler, secretary; Barbara Freshley, treasurer. The second meeting was utilized to organize the initiation and the "tapping" of new members.

To qualify for this exceptional society, it is necessary for the student to be a junior or a senior. Also the student must have a 3.2 average for his four years of high school.

The yellow rose stands for the beauty of life; the key stands for knowledge; the torch represents the everlasting light of learning; and the four candles represent scholarship, leadership, character and service.

The members of the Scholarship Team were determined by a preliminary qualifying test given in each major subject. The students who received the highest scores in comparison to other students in the school were recognized as members of the team. A test was then given to the teams of all area schools to determine the state ratings. To obtain a high rating was extremely difficult. The team can be credited for the honors that they have bestowed on the school.

The school was honored by the presence of David James Clift of Moles in Queensland, Australia. David came as part of the Rotary exchange program that sent senior Joan Ellsworth to Karlskoga, Sweden. David participated in vocational agriculture to add to his knowledge in animal husbandry. In Sweden, Joan participated in a general senior program and learned to speak Swedish. These two students were part of an international program of the Rotary Club that provided for the exchange of students between nations.

Students Achieve Recognition

French Cindy Phillips, honorable mention in the state.

World History Robert Pyle, honorable mention in the state.

Music Theory Susan Barzda, 16 in the state.

Biology: Kenneth Carman, honorable mention in the state.

Biology: Gary Middleton, honorable mention in the state.

Science: Dave Sheaffer, honorable mention in the state.

Ruritans Honor Seniors

Each year the seniors who have excelled in the departments of the school have been recognized with the Lexington Ruritan Awards. The awards have been given annually to seniors who had a high degree of achievement in the English, language, mathematics, home economics, vocational agriculture, industrial arts, business education, and social studies departments.

The various qualifications that determined which students were to receive the awards were very selective. The candidates with the highest point averages were rated by the teachers on a one to five basis in several areas. These areas were scholastic enthusiasm, leadership, character, industry, initiative, reliability, social acceptability, emotional stability, co-operation, and social concern. The students who received these awards have proven themselves of the highest caliber.

The Student Council was guided through various activities by their adviser, Mrs. Eleanor Ramser

The Student Council began piping music into the lunch room this year for the first time. At Thanksgiving they launched the campaign for three charities including T.B., Cancer, and the Alliance United Fund. The money was taken from contributions of the student body.

As Christmas approached, members of the council helped to bring on the Christmas spirit by decorating the Christmas tree in the auditorium. The tree was later used in the Christmas assembly

The council voted for two seniors, who displayed the most school spirit, to ring the victory bell. Those chosen were Judy Hirst and Steve Rickard. Alternates for this event were Kathy Thomas and Gary Battershell. The victory bell was to be rung immediately after varsity football and basketball victories, and the following day of varsity wrestling, track, baseball, and golf victories.

One of the most outstanding projects of the council this year was to help the band boosters purchase a large outside bulletin board to be placed in front of the school.

Before school ended last year, the staff began to create the 1968-1969 *Scenario*. Although unknown to many students, members of the staff worked many long hours during summer vacation to present the school with the finest yearbook possible. During the year, the clothing lab was used as the *Scenario* headquarters. The work period was every day during the eighteenth and nineteenth modules, in addition to what was done after school, at home, and over weekends.

The work that went into the yearbook is not known to many. Every position carried a heavy work load that had to be completed for each deadline. Layouts were planned and drawn for every page. Pictures had to be cropped, and copy along with headlines and captions written for each layout. Everything was proof read four times. Working out the smallest details took much time and effort.

Due to the tremendous approval of the student body concerning last year's color pictures, the program was expanded this year. A new method of processing permitted an extended use of color in the *Scenario*.

There were many other activities in which the staff members were involved. In order to sell the *Scenario* below its cost, ads were sold and a sock hop was sponsored. A banquet was conducted in the spring for the staff's enjoyment. During the festivities, gifts were presented to the editors and adviser.

After many months of labor, the *Scenario* was sent to the printers. A brief rest awaited the staff before undertaking the task of the next year's annual.

'Shield' Presents Journalistic Talents

Kathy Thomas—Advertising Manager

The *Shield* staff has completed another successful year of publishing the school newspaper. Each bi-monthly edition showed its originality and good taste by a display of news, and sports that appealed to the interests and needs of the student body. The scope of the shield extended from coverage of current events, to the humorous happenings of the students themselves. The paper also served as a voice to the community.

Members of the staff strove for improvement continually. Editor Sherry Lipely attended the workshop at Ohio University in Athens, Ohio. *The Alliance Review* was visited in an effort to gain a better understanding of their work.

Miss Carli served as the adviser. She headed a staff that consisted of sophomores, juniors, and seniors, with an interest in journalism. The crew worked in the secrecy of the art room, to produce this newspaper.

The Varsity-M Club was composed of boys who had won a varsity letter in any sport. This was the third year of the organization. It was an honorary club that served to build school spirit in addition to creating pride and a sense of accomplishment in the school's athletes. Members met regularly and planned several projects. The enthusiasm of the boys was evident as they proudly sported their new jackets.

The boys of Varsity-M had to excel in sports, academic ability, and good character. Each individual had to uphold the high standards of the organization. Coach Kitzmiller and Coach Springer served as advisers of the club and to the boys themselves.

Throughout a rather long football season the Pep Club went all out to back the team and encourage enthusiasm within the student body. During a great basketball season the club organized the students' spirit into effective support. Spirit boosting activities of the club included sponsoring buses to away games, selling victory ribbons, making posters for the games and cheering for the team. The card section, last year's innovation, was expanded and improved. The club also sponsored car caravans to games and produced a Barbershop Quarter Show to raise funds.

Service Fosters Responsibility

The Health Careers Club was open to all students interested in nursing and the field of medicine.

The purpose of the Health Careers Club was to make students aware of the requirements and possibilities in careers that were related to health. This was accomplished through literature, speakers, and field trips. Throughout the past year the club visited Aultman Hospital, Akron City Hospital, and Kent State's Therapy Department.

The clinic was staffed and cared for by members of the club. Also donations such as blankets, pillows, and sheets were made to the clinic.

The Prospectors, a service organization, was open to grades eight through twelve within the school. Their various programs consisted of giving morning devotions and checking the coats at all home basketball games. At Christmas time the school was nicely decorated, thanks to this organization.

Some of the interesting speakers Prospectors had this past year were Mrs. Mary Gwynne explaining the Rial Program and Mrs. Mary Miller expressing her interest in helping underprivileged children at day camp.

The achievements of Hi-Y displayed the progress of the club in its strife toward perfection and attainment of the goals of the organization. The goals of the club were to create, maintain, and extend the high standards of Christ in the home, school, and community. Each member worked hard for this purpose.

The meetings were interesting to the boys. Usually after dealing with the business at hand, the group retired to the gym to play basketball. Often there were speakers or movies to contribute to the knowledge and pleasure of the members.

Projects were an important phase of the club's activities. At Thanksgiving a basket was sent to a needy family, and at Christmas, packages with personal effects were sent to soldiers in Vietnam. School spirit was demonstrated when the club attended wrestling matches.

The high point of the year was when Hi-Y participated in the Youth in Government program. Each school sent representatives to the Columbus Convention. A mock government was set up at the convention and bills were proposed. Every delegate was eligible to run for the state offices.

The school can be proud of Hi-Y because of its accomplishments in all areas.

The goals of the Senior Y-Teens were to reach out for friendship with people of all races, religions, and nations. The girls attempted to grow intellectually and in character. The organization did much to help others through unselfish work in many projects.

The Thanksgiving project was the giving of a basket to a needy family. The girls dressed dolls for the Salvation Army at Christmas. One of the major projects that was undertaken by the club was the making of cosmetic bags for the patients of the Massillon State Hospital. These projects and several others helped the girls gain a feeling of accomplishment.

The Y-Teens had a lot of fun in addition to all the work. The club participated in a slumber party for the Y-Teens of Alliance, Marlinton, and West Branch at the YMCA in Alliance. The girls also enjoyed sponsoring a bake sale to raise funds for the organization.

Delegates were chosen to attend the Y-Teens convention held annually for the enjoyment and educational benefits received by each girl.

Y-Teens were a source of pride for the school due to the unselfish attitude of each one toward humanity.

Jane Buehler listens attentively to Shauna Zurbrugg's problems in *Seven Sisters*.

The school's great dramatic ability was clearly shown this year as the Dramadukes and Thespians presented the fall play entitled *Seven Sisters* under the direction of Mr. Merrill Purviance and Mr. Gary Dennis. The play was given on the nights of November 15 and 16 and was well received by both audiences. *Seven Sisters* was a hilarious comedy about the endeavors of the Gyurkovics, a Hungarian family, to marry the three oldest daughters, played by Jane Buehler, Cherie Schmucker, and Marsha Rinehart, to the town's most eligible bachelors. These men were played by Dave Haidet, Lee Springer, and Tony Sokol. Shauna Zurbrugg played as the fourth daughter who with Tom Richards schemed to match her sisters with the right men. Other cast members were Vallene Hardman, Lee Haines, Jane Hinds, Denise Oyster, Nancy Syverson, and Doug Watson. The performance given by the Dramadukes was greatly appreciated by all who attended.

The annual Thespian banquet was held in the spring for the newly installed Thespians. In order to become members of the society, the students had to earn ten points by either acting, prompting, or helping backstage.

Librarians and F.T.A. Perform Services

Sue Stephenson and Beth Baugh aid Mrs. Ramser with her corsage

The Student Librarian Club performed a great service to the school. Each member carried out the various tasks that made the library a useful institution to the student body. Some of the duties of the organization were to take care of the bookshelves, check books in and out, process new books, count circulation, and help students in need. The librarians met monthly to increase their knowledge through book reviews and speakers. Each day the members waded through a mountain of about two hundred volumes.

In addition to work, there was time for fun also. Caroling and refreshments were enjoyed at the Christmas party. Participation in the club was very worthwhile for all.

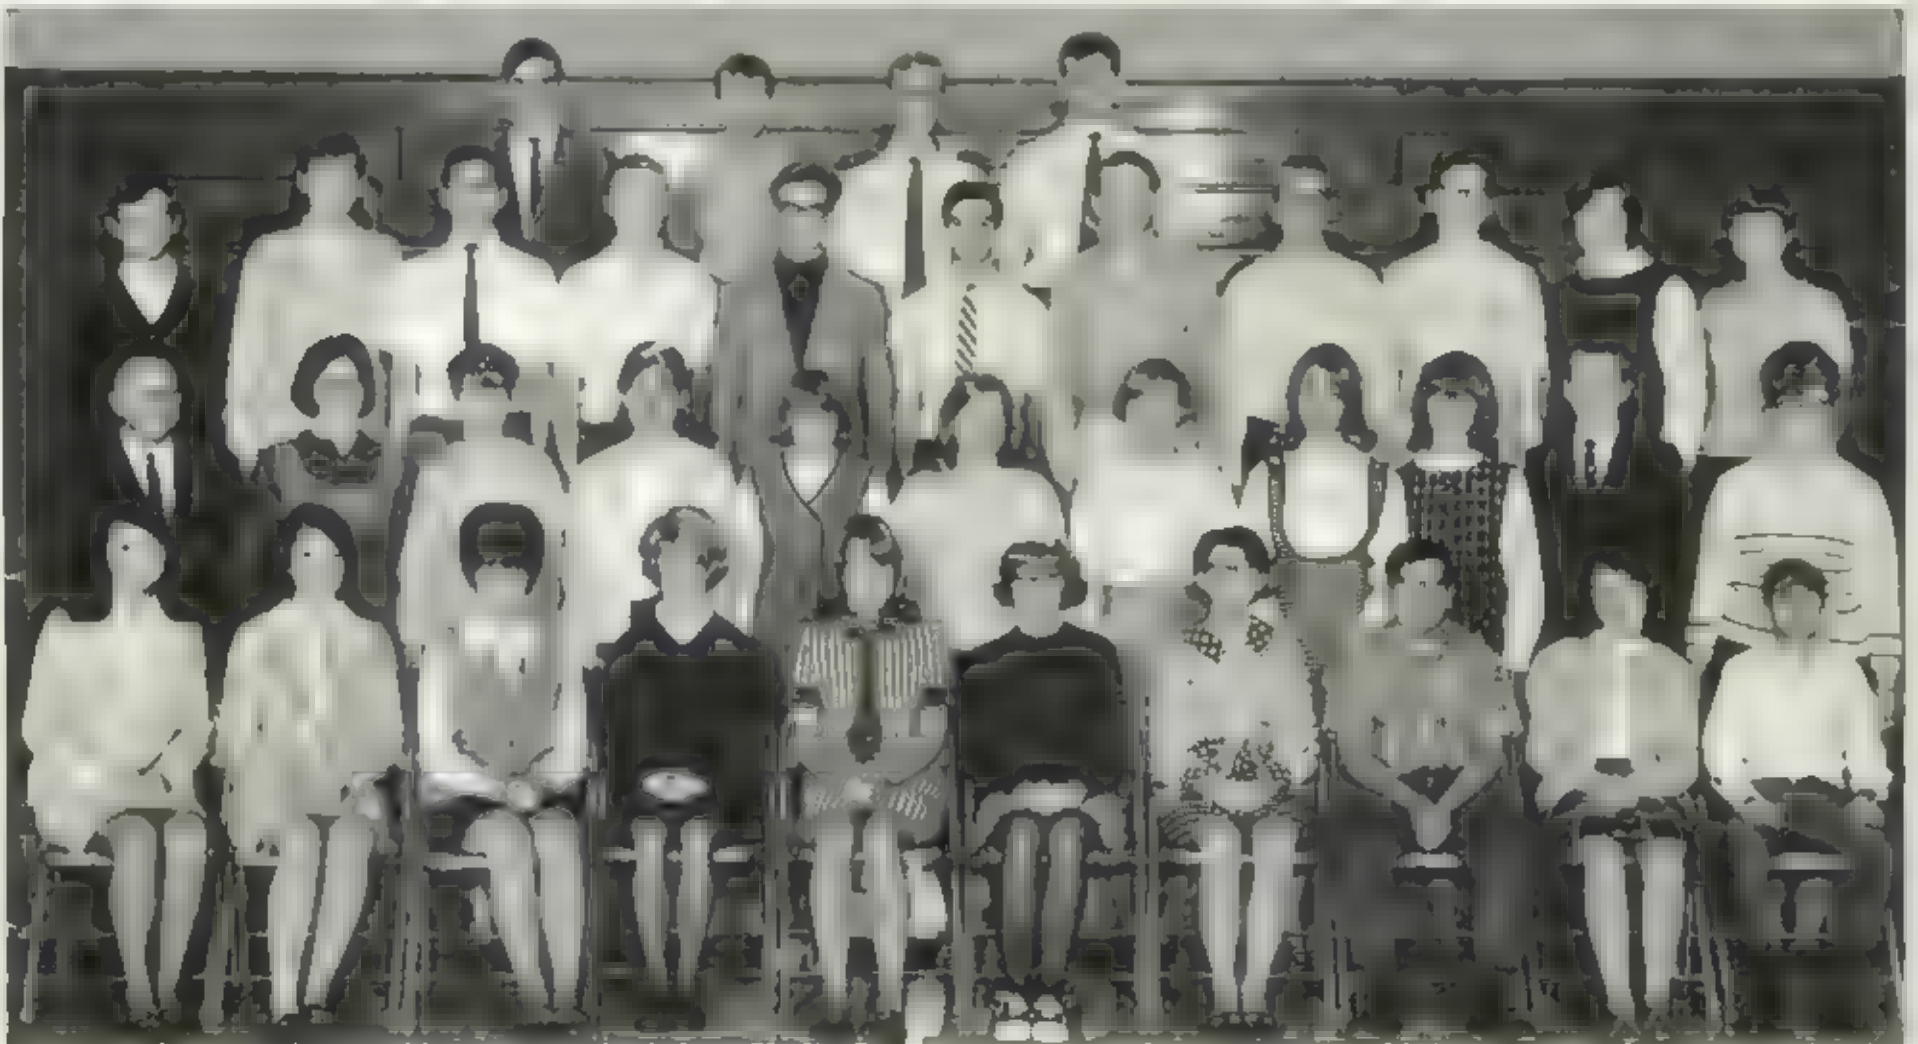

The school's chapter of the Future Teachers of America was very important in as much as it helped its members to become excellent teachers of tomorrow. The organization also served to help the teachers of the present. Members of F.T.A. earned the opportunity to learn more about the field of teaching by the means of many interesting programs and various field trips. Some of the activities of the organization included student teaching day and a luncheon for the teachers during American Education Week. The club also furnished flowers to each of the teachers. The Future Teachers of America provided much practical experience and many rewarding times for each student.

Service Clubs Earn Respect

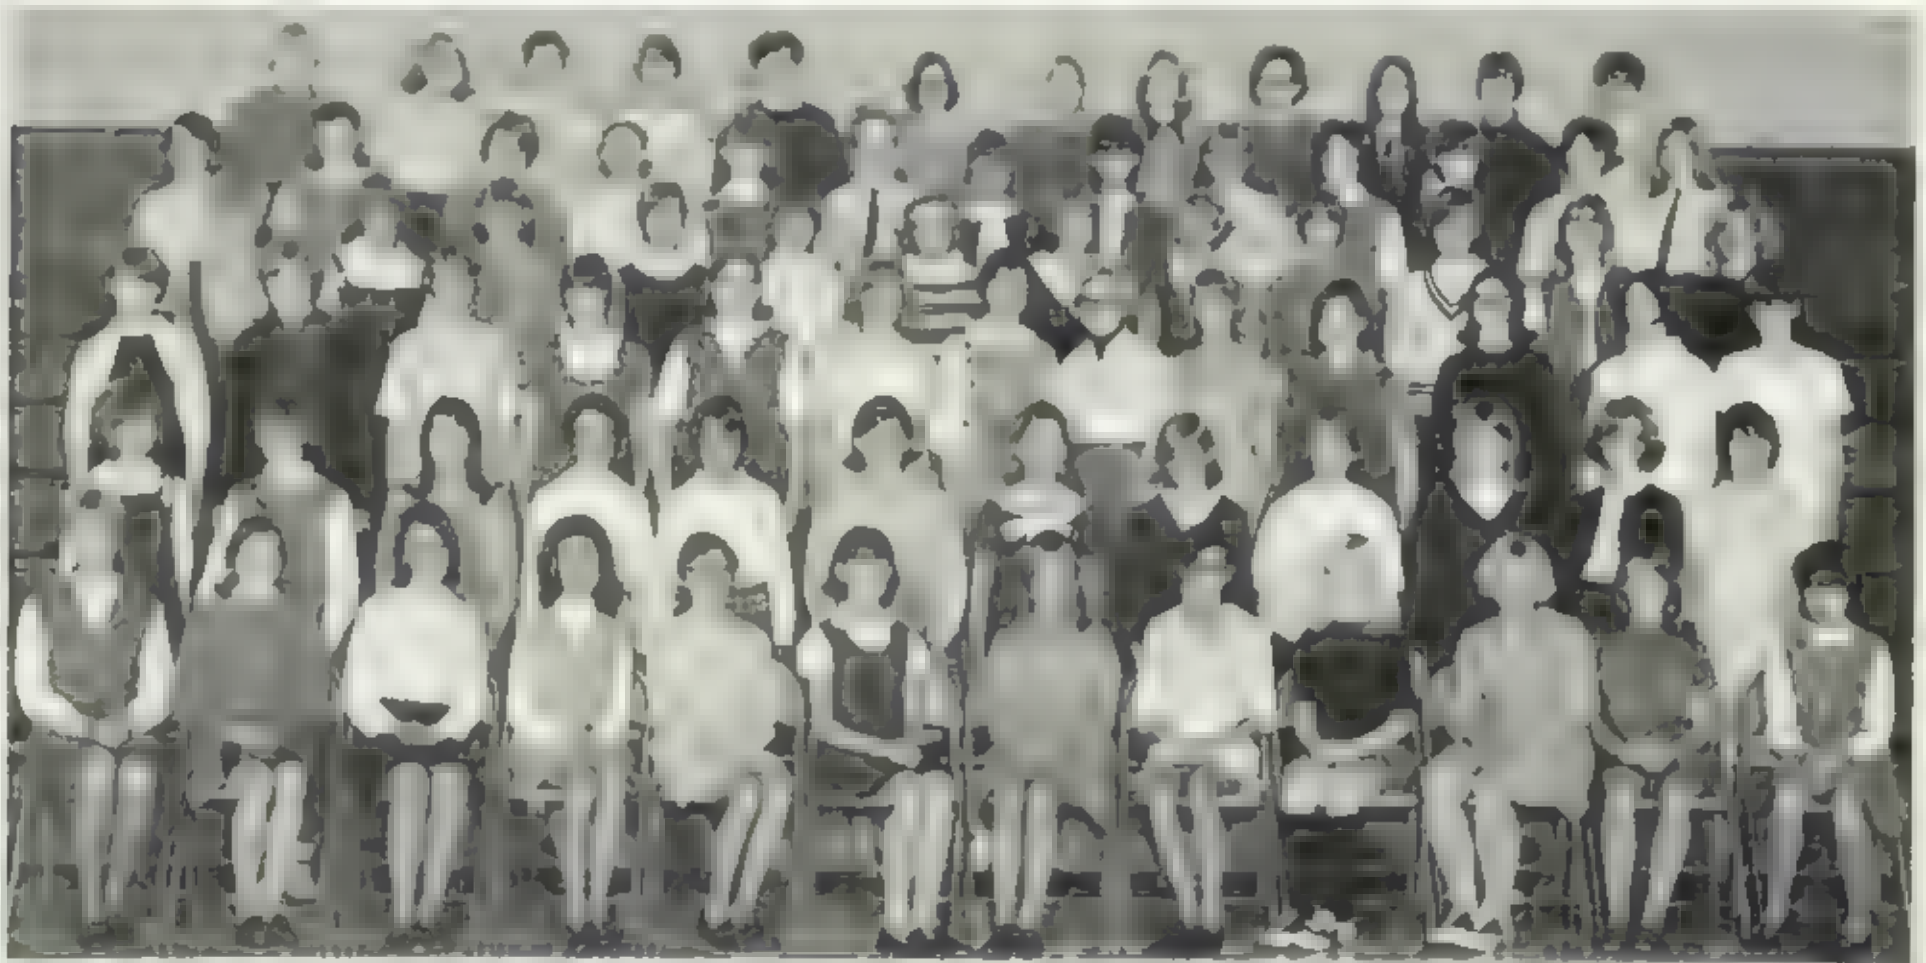

Mrs. Sue DeHoff, while in the library, occupies herself with a mountain of work

The Junior High Y-Teens consisted of 73 eighth and ninth grade girls. One rewarding project was the aid given to the Handicapped Infants Home in Ravenna. Washcloths, soap, and quilts were sent to the home in addition to toys. A Christmas dance at the YWCA, a hayride, and dolls being dressed for the Salvation Army kept the girls busy.

The Projectionists furnished record players, tape recorders, and other audio-visual equipment needed by the teachers for modern education. The boys worked in the audio-visual room during a study hall and sometimes after school. Often during class they were interrupted to help with sudden repairs or substitutions.

Two very essential service organizations in the school were the Hall Guides and Student Office Helpers. The hall guides spent a study hall stationed at school entrances to receive visitors and aid them in finding classrooms or the office. The office helpers operated the switchboard and other office equipment in addition to running errands for the secretaries.

F.F.A. Expands Activities

Dan Stafford, Ed Miller, and Deltin Hauge develop skills with vo-ag equipment

The Future Farmers of America spent another year preparing for their prospective careers. This was done through many interesting programs and expanded activities. The Parliamentary Procedure Team took part in the district tournament and brought home a fourth place rating. The organization also participated in the State Convention in Columbus, Ohio, and five delegates were sent to the National Convention in Kansas City, Kansas.

The club met regularly to augment the knowledge of the members in respect to modern techniques in farming, horticulture, and conservation. Their goal was to establish and maintain unity in the organization, in addition to striving to achieve the best agricultural aspects and abilities.

F.F.A. members were given the opportunity to operate many types of farm machinery and tools. Horticulture was studied in depth to provide well rounded knowledge.

Many projects were undertaken by the club. Wreaths were made at Christmas. They grew flowers and made corsages for the Homecoming Dance. All in all, much was learned by each student.

Jack Holland, John Tucker, Joyce Lashley, Carol Parrish, and Mark Chapman prepare Christmas wreaths to raise funds.

Once a month a student girl and boy were selected to represent our school as Teenagers of the Month. The qualifications for this nomination were based on character, leadership, and service to the school and community. The student body nominated a boy and girl from either the Junior or the Senior Class. If this proved inadequate, nominations were made within the five member committee. Then the nominations were voted upon. After a person was chosen and a report was written, he was interviewed by the chairman. The third Monday of each month the Stark County Teen Board held a session in Canton. The committee chairman then took the boy and girl, along with the written reports, to compete with the other Stark County Teens

A new addition to the activities scene was the Girls' Leaders. The girls were chosen for the organization due to their athletic abilities and class participation. Some of their duties were taking attendance, leading the girls in their exercises, and officiating contests held in girls' intramurals. The duties were performed on the girls' own time, which was usually during a study hall. Members of the organization did much to help Mrs. Muckley.

The theme for the year 1968-1969 was "A Better World Begins With You." The Future Homemakers of America is a nation wide organization with over 300 chapters in the state of Ohio. In the past year the FHA Chapter undertook many projects. They made favors for the Ro-Ker Nursing Home at Christmas time. The club sponsored a party for the Children's Ward at the Alliance City Hospital. Some of the activities for various months were selling cook books, cleaning the school's court yard, selling Christmas cards for UNICEF, collecting food for World Service. They also sponsored a St. Patricks dance. April 12, the chapter went to the State Convention in Columbus, Ohio. The guest speaker was Miss Marylen VonBuer, a former Miss America. Eight girls and three advisers attended: Miss Mildred Young—adviser, Miss Dena Vessels—adviser, Miss Ruth Hoblein—adviser, Beverly Blanchard—president, Marge Penrod—candidate for vice president of East Region, Susan McGirr—State Chorus, Bonnie Devies—Hostess; Decky DuBois, Kathy Popovich, Debby Dysle, and Diane Green—voting delegates. The most outstanding activity for the year was the Parent-Daughter Banquet with the guest speaker Mr. Russell Newburn. During this time the officers for the coming year were installed.

The Commercial Club provided many opportunities for girls preparing to make a career of secretarial work. Throughout the year, the members enjoyed many excellent speakers and field trips. The purpose of the club was to aid the development of office skills and practices. The various experiences encountered by the girls through the classroom and the club provided practical experience that will become important in the future.

The French Club launched many new projects in its second year of existence. At Christmas each member brought a gift and card to give to the children at the Fairmount Home. In the spring the International Dinner was sponsored with the aid of the Latin and French Clubs. Each monthly meeting was filled with many exciting speakers, films, and guests that added much to the students knowledge of the language, customs, and culture.

The Latin Club continued its tradition of inducting the new members in a beautiful candlelight ceremony. Another informal induction was held in which several tricks were played on the students. At one meeting, the annual process of selling the new members as slaves was enjoyed by all. Other activities included monthly meetings and a Christmas party with the singing of carols. The club also participated in the International Dinner.

BERN

The National Forensic League served as the school's speech club. It consisted of any student on the speech team who had earned at least twenty-five points in speech tournaments or debates. The purpose of the organization was to develop the speaking ability of the students since speech is vital to communication, and communication is vital in the modern world. Members fulfilled their duties by studying during the week and attending tournaments on Saturdays.

The Science Club did much to increase interest and knowledge in the field of modern sciences. The many activities included a field trip to Canton, Ohio, to visit several places of interest and various informative speakers. Some of the other highlights during the year included the Science Fair, held annually at Marlinton, and several field trips. Mr. Vaughan proved to be an asset to the club in helping to bring many interesting speakers to the meetings.

One of the newest clubs to be formed was the Radio Club. The thirty-five members met twice monthly with work sessions once a week. The equipment used by the club was made by the physics classes during their study of electricity. Two complete stations were in operation with the aid of new antennas. Great strides were taken in the first year of operation as every state in the union was contacted along with many foreign countries.

SPORTS

Although it wasn't a winning season for the Duke gridders, many records fell and much valuable experience was gained through the leadership of Coach Springer and his coaching staff. Despite hard work and perseverance, the team finished the season with a 1-8-1 record.

A total of four records were broken or tied in the course of the season. Senior end John Kennedy broke two pass reception records this year as he co-captained the team along with Bill Kress. John snagged eight passes in the Canton South game for a single game pass reception record. He finished the season with 42 receptions, which broke the record that stood for six years.

Senior end Gary Acierni set a new record as he caught seven touchdown passes. Willie Owens, the hard-running Sophomore fullback, tied the record for the longest run from scrimmage as he scrambled 85 yds. against the Glenwood Eagles.

The Duke squad showed much improvement over the past season. While only crossing the goal line once last season, the Duke offense collected 110 points by the end of the season. Duke quarterback, Jim Breit, threw more passes this season than any other quarterback in Duke history.

The defense showed great ability in the Canton South encounter as they gave up only one touchdown to a strong Wildcat offense.

John Kennedy earned the MVP award this year for his outstanding performance on the gridiron.

The teachings of Coach Springer are reflected in the Glenwood encounter. Through his leadership improvement was gained over last year.

The Freshman Football Team of 1968 gave a promising future for the coming Varsity and Reserve Football teams by completing a 5-1-1 season. The teammates showed both talent and dedication in all of their appearances upon the practice field and playing field.

The strong Freshman defense held their opponents to only 36 points compared to the 134 points registered by the Duke offense for the season. A sense of pride was shown by the players and the students of the school.

The team coaches were Coach Rastetter and Coach Sabin, two newly experienced men in the coaching career.

Coach Priest heads Eighth Grade Football team

In their first year at Marlinton and their first attempt at school organized tackle football, the 1968 Eighth Grade Football Team members gave co-operative teamwork. In the game with West Branch, 6 points were scored by the Eighth Grade Football Team which gave the young Dukes their one and only victory of the season. In each appearance, numerous prospects of future team victory and individual talent were shown. The team ended the season with the record of 1-3-2. The team was coached by Mr. Priest, a two-year veteran of the Coaching staff.

Cheerleaders Boost School Morale

The cheerleaders are an important part of the sports program at Marlinton. They are at all sports activities to lead cheers and encourage the players. Whether in a winning cause or a losing effort, the cheerleaders gave whole-hearted support. They also took charge of the many pep rallies as well as decorating the halls with many colorful signs.

The captain of this year's squad was Janice McCrea. Her leadership was appreciated by her fellow cheerleaders and advisers.

Mrs. Mary Lou Muckley was the adviser for the cheerleaders this year. This is her second year as cheerleader adviser. Her support and help aided the cheerleaders and the entire school throughout the season.

Dukes Roll to Undefeated Season

The 1968-69 Duke Cagers put on a performance of basketball skills that will long be remembered at Marlinton. The Dukes fought their way to an undefeated record in regular season play and finished the season with a 22-1 record. Their only defeat came in the District Finals against the Canton McKinley Bulldogs.

The team showed much ability on the court as they averaged 77 points a game while giving up only 52 points an outing. Duke followers saw many exciting games this season through the hard work and desire of the team and coaches.

Luke Witte once again rewrote the record books this season. Luke now holds every record in the book except for fouls tried, assists, and recoveries in a single game. Some of his records include most points in a game (48), most points in a season (594), and highest career total (1,631). Luke also holds records in rebounds, most games played, and shooting percentage. Luke captained the squad this season and received the MVP Award.

Luke received much help from the rest of the team. Two year letterman Jim Breit added scoring punch to the Duke offense and set a season total assists record (84). Daryl Hole and John Kennedy gave the Dukes added strength on the boards and in scoring. Number two scorer, Gary Sherman, the only junior in the starting five, was a great asset to the Duke squad. Sixth man, Chuck Karlen, and the rest of the team gave added support.

Coach Howard Kitzmiller was named Stark County Coach of the Year for the second year in a row. This was the first time one of his teams had gone undefeated in regular season action.

The 1969 Marlinton Matmen had an exciting and successful season with both Varsity and Reserve Teams compiling a 10-2 record. The team finished third out of fourteen teams in the Massillon Sectional Tournament with Gary Acierni and Mike Flinn achieving first place finishes to become sectional champions and with Evert Gibson, Steve Taylor, Larry Lee, and Gary Lee placing third. The Team went on to finish ninth out of seventy-six teams in the Akron District Meet with Steve Taylor placing second and Mike Flinn placing third. This qualified Steve to compete in the Columbus State Meet where he placed sixth in the 138 pound weight class. Head coach was Robert Hinchliffe and his assistants were Robert McClain and Gary Dennis. Coach Hinchliffe was awarded Coach of the Year for the Alliance area.

The 1968 Baseball Dukes, clad in new uniforms, fought their way to a 9-9-1 record and a tie for fourth place in the Federal League standings. The Dukes placed third in the Federal League in batting with a .280 average. Jim Brett copped the M V P award this season with a batting average of .999. Jim was the first man in Duke history to be selected to the Federal League All-Star team as a starter. Mike Flinn, Paul Ray, and Dave Haidet were alternates. Dave Haidet was the Duke pitching ace with a 4-3 season record.

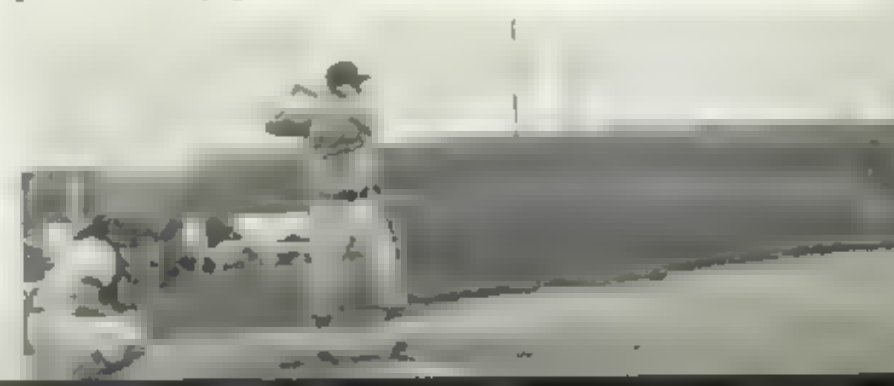

The best game of the year came against Barberton when the Dukes collected 16 hits behind the 2 hit pitching of Dave Haidet. The Dukes won 7-2.

Golf this year saw the Duke Duffers fight their way to an 8-14 record. Experience and the will to win combined for many exciting matches both at home and away. Home games were played at Tannenhaut Golf Course.

The M.V.P. award was won by Junior Dana Rosler for his outstanding performance on the golf circuit. Dana was medalist for every Duke match. He also placed at the District Meet. Those receiving letters were Dana Rosler, John Hoyle, Craig Windland, Jeff Hahn, and Dan England. With only one senior on the squad, much can be expected from these boys next year.

Track Team Places Tenth in State

The Duke Cindermen once again displayed their ability in field events as well as in track as they posted a 7-1 record. The Dukes' only defeat came at the hand of a tough North Canton squad. The Dukes also placed well at the County and District Meets.

Records fell this year in the mile, pole vault, and the high jump. Senior Rob Spalding set a new time of 4:44.6 in the mile run. John Pfeifer put his name in the record books by vaulting 12'8" at the District Meet. Ed Rowland, also a senior, set a new district mark in the high jump at 6'4 1/4". Ed went on to win the District Meet which qualified him for the State Meet at Columbus. There he placed first which put Marlinton in a tie for tenth place in the State. Ed Rowland and John Pfeifer shared the M.V.P. honors.

The Eighth and Ninth Grade Track Team, coached by Mr. Howard Kitzmiller and assisted by Mr. Ronald Priest, showed its talent by compiling a 7 win and 3 loss season. The ability they achieved through hard work was exemplified in a triangular meet against Minerva and Columbiana, when the team placed first with 70½ points. At the Glenwood Invitational Freshman Meet, the track team proved itself strong as the teammates brought home the second place trophy. These boys are capable of upholding and improving the status of the Marlinton Track Team, in future years.

Girls' Track Team Faces Strong Competition

Senior Co-Captains, Sandy Freytag and Martha Simpson, help the team in practice and in track meets.

The Girls' Track Team, led by Mrs. Mary Lou Muckley, added a feminine touch to the track season as they once again showed their ability in rugged competition. Hard work and practice enabled the girls to place fifth at the Stark County Invitational Track Meet by turning in two second place finishes and several third place finishes. A second place finish was turned in by the 880 yard relay squad composed of Martha Simpson, Joyce Lashley, Sandy Freytag, and Leslie Lanzer. A second place finish was also turned by Joyce Lashley in the softball throw. The co-captains for this year's team were Sandy Freytag and Martha Simpson, who did their best to help the girls improve their skills. The girls worked hard to prove their abilities and should be commended for their continued perseverance.

The 1968 Marlinton Cross Country Team finished their season with a 2-3 record in dual meet competition. With 45 points, the Duke Harriers placed second in a triangular meet against Salem with 26 points and Springfield Local with 61 points. In the North East Ohio District Meet the Harriers placed sixth. The Duke Harriers also placed sixth in the Stark County Meet.

MVP was a first year letterman, Dennis Kapper, who managed to come in first in every meet. The only third year letterman was Evert Gibson and the only second year letterman was Tom Hubbs. There were seven first year lettermen.

Mr. Umberger coached Cross Country for his second year. He aided and upgraded the performance of the Duke Harriers in this time and did much to promote this excellent sport at Marlinton.

Marching Dukes Dazzle Fans

The Marching Band completed another successful season filled with many spectacular performances. This was the result of diligent work and long hours of demanding practice. The result of their work was very evident at their numerous appearances. The Hall of Fame Parade in Canton, the Carnation Parade, and annual area festivals enjoyed the band's display of musical talent. The visit and participation at Cedar Point and the Swiss Festival Parade at Sugar Creek added variety to the marching bandsters' demanding schedule. To highlight their performances, the band featured certain sections in "Dynamic Drums," "Watusi Trumpets," "Trombonanza," and "Bravura Trumpets." Special shows were presented at the Massillon Tiger Band Revue and the Marlinton-Alliance Band Spectacular. The band performed to the strains of "Swing March" and "But Not for Me" while marching intricate steps and using multi-colored lights. "The Buckeye Battle Cry" was the final number of their shows.

This year's band performances were marked by the collegiate touch of Drum Major, Dave Kump. Karen Werstler, head drum majorette, assisted Dave in the direction of the band's numbers. Debbie Nelson, feature twirler, dazzled the audiences with her aerial throws to the background of the music of the Marching Dukes.

The top bandsmen were rewarded for their devoted work and superior musical talent by receiving chairs in the Symphonic Band. Each member was chosen to add his own touch of talent to each performance. This group performed their difficult musical works excellently. Two concerts were presented by the Symphonic Band in the spring. "Warsaw Concerto," "William Overture," and "Slaughter on Tenth Avenue" were played and very well liked by the audiences.

The Stage Band was also very active. These members had to learn to use their talent and determination to the fullest extent. They have applied this philosophy well. This resulted in a group working together to accomplish unity in harmonization. Besides putting on two Christmas programs at the High School, the Stage Band travelled to the area elementary schools where the students enjoyed the band's performances. They were accompanied by the Junior and Senior Mixed Ensembles who provided vocal entertainment. In the spring the Marlinton Stage Band hosted the annual Stage Band Clinic. Guest conductor this year was Mr. Warren Covington, a renowned trombonist. Band members enjoyed working with Mr. Covington and learned much from his suggestions and techniques.

The Band Director, Mr. Waldeck, enjoys a few musical moments with his assistant, Mr. Chmel.

The Eighth Grade Band practices for a performance.

The Pep Band added variety and spice to the instrumental department. They attempted to raise the enthusiasm of the Duke supporters at home basketball games. In fact it wasn't unusual to hear the thumping of drums or the clashing of cymbals in the background of a rousing cheer. The Pep Band supplied half time entertainment. Sometimes the majorettes demonstrated their twirling abilities during the half time break to the band's accompaniment. This helped add an extra touch to the Pep Band's numbers.

Experimenting with difficult high school music was the Eighth Grade Band. They found this a challenging endeavor. They sought to prepare themselves for admittance into the Marching Band through hard work in their basic fundamentals and skills. This Eighth Grade Band showed promise for the years to come in the instrumental section.

Working in the Symphonic Band's shadow, was the Concert Band. These members strived hard to improve their instrumental skills to prepare themselves for possible Symphonic Band participation later. They experimented with many styles of music from marches to more modern numbers.

Top Vocalists Portray Moods of Music

Top choristers relax after a fine program.

Through determination and ambition, the Marlinton Select Chorus achieved success. These top junior and seniors vocalists combined talent and hard work to portray the many moods of music: joy, sorrow, romantic, and vile. Prompted by Mrs. Bingham's leadership, these 77 choristers created harmonious melodies. The fine vocalists gave an inspiring Christmas performance. The traditional "O Holy Night" was sung with featured soloists. "Hallelujah Chorus," from the "Messiah," aroused the spirits of the spectators. Other well-presented numbers were "Come, O Come Emmanuel" and "To Us Is Born Immanuel."

The members of the Select Chorus were deeply indebted to Mrs. Bingham for her hard work and confidence in their ability. They learned that leadership lay in discipline.

Seniors Excell in Last Year of Singing

SENIOR GIRLS' ENSEMBLE—Suzanne Byers, Jane Buehler, Janice McCrea, Penny Faxon, Francine Leutschadt, Kathryn Thomas, Pamela Snode, Karen Werstler, Judith Hirst.

Under the direction of Mrs. Bingham the seniors combined their musical skills to produce an outstanding chorus. The seventy-four member chorus practiced on Tuesdays and Thursdays to gain confidence to present a striking Christmas program. Some of their program numbers included "Do You Hear What I Hear?" and "Fum, Fum, Fum." Participating in the spring program, the Senior Chorus presented a commendable performance which was well received by the audience.

Extending their musical performances, the Senior Girls' Ensemble especially enjoyed singing for the Washington Ruritans on October 28. In addition to outside performances, the ensemble presented the "Christmas Song" for their holiday selection. Joining in the holiday festivities, the Senior Mixed Ensemble assisted the Junior Mixed Ensemble by echoing to "Joy, Joy, Joy." They were garbed in robes and kept with the religious theme by carrying candles.

Juniors Display Vocal Talents

Looking forward to their senior year, the Junior Chorus strove for perfection. The voice that was young and untrained became more developed and mature. The juniors' improvement was very evident as they gave an outstanding performance at Christmastime. "God Rest Ye Merry Gentlemen," "Danish Christmas Round," and "Roundelay Noel" were well liked by those attending the program.

The junior ensembles displayed excellent tone quality in their appearance at the holiday concert. The Junior Girls' Ensemble portrayed the traditional Christmas spirit with the familiar number, "'Twas the Night Before Christmas." Showing their musical talent, the Junior Mixed Ensemble performed "The Christmas Bell Carol" and then combined with the Senior Mixed Ensemble for "Joy, Joy, Joy." In addition to school concerts, this group provided a religious medley for morning service on October 27 at the Bethany United Presbyterian Church. The numbers sang included "How Excellent Is Thy Name" and "Lord Grant Us What Thou Wilt."

Sophomores Develop Skills in Harmonizing

Fessler, Carol Champer, Judith Maarschalk, Janet Moreland, Linda Reed, Barbara Bower, Barbara Conner, Mary Ruff, Sherri Benton, Demie Royer, JoAnn Reckner, Christine Cline, Shelia Springer, Pamela Macarie, Rebecca Smith, Cynthia Burris, Carol Shoemaker.

Discovering that expression and enunciation are important parts of music, the Sophomore Chorus, through hard work and effort, learned to blend their voices in harmony. These sophomores demonstrated their ability at the Christmas Concert by singing "White Christmas" and "While Shepherds Watched Their Flocks."

Besides singing in the chorus, some of the girls joined their skills with those of the Sophomore Girls' Glee Club. As a result of their combined efforts, they were well received by the audience at Christmas time. The girls' vocal selections included "Silver Bells," "On the Very First Christmas Morning," and "The Christmas Folk Song."

Coming through with an excellent performance was the Sophomore Girls' Ensemble. They set the stage with peace and tranquility through their songs "Drummer Boy" and "God Bless the Little Things This Christmas-tide."

The sophomores showed great enthusiasm and potential for their future years at Marlinton.

'Where's Charley' Invites Laughter

THE LADIES—Irene Morris, Connie Wann, Roberta Rohrer, Mary Beltz, Jacqueline Scott, Bonnie Saunier and Rebecca McBrade

Amy, played by Carolyn Hazen, is worried over Charley's love for her as she sings "That Woman in His Room"

Charley thinks about Amy and their future together as he sings and dances to "Once in Love With Amy"

The townfolks, composed of Select Chorus members, ask the question "Where's Charley?" in the spring musical

THE COLLEGE SERENADERS—Donald Lare, Raymond Brown, Robert Spalding, Steven Rickard, Greg Miller, Daryl Hole, Lee Haines, Wayne Boyle, Kenneth Wade, Robert Betz.

At last Jack, Robert Spalding relates to Kitty, Jane Buehler, his true love in "My Darling, My Darling."

One of the brightest musical highlights in the spring of '68 was the production of "Where's Charley?" It was presented to capacity crowds on March 19 and 20. A third performance was given for the student body as a benefit for Sandy Eagen.

Involving two Oxford University students, Charley Wykeham and Jack Chesney, the story takes place in 1892 in England. The chaos begins when these two gentlemen invite their girlfriends, Amy Spettigue and Kitty Verdun, to a luncheon which was to be chaperoned by Charley's aunt, Donna Lucia D'Alvadorez. Having had a mix-up in dates, Donna Lucia was unable to attend. This led to the hilarious mishap of Charley masquerading as his aunt.

Adding to the excellence of the performance were the combined efforts of a select group of bandsmen and the members of the Select Chorus.

The Class of 1969 can now look back upon their many fond memories. Among the outstanding highlights were the rallies and athletic events, dances — the Homecoming and the Junior-Senior Prom, the class rings and jackets, and exams. The class accomplished many of its goals due to the leadership of the class officers and adviser. The Seniors have reached their destination — graduation.

GIRLS' STATE—Joan Ellsworth, Pamela Snode, Beverly Blanchard, Gwen Burdick, Karen Werstler, Kristine Shoemaker, Judy Hirst, and Patricia Porter.

Representing Marlinton High School at the Buckeye Girls' State Convention last June were delegates Gwen Burdick, Judy Hirst, Pamela Snode, and Karen Werstler. Alternates were Beverly Blanchard, Joan Ellsworth, Patricia Porter, and Kristine Shoemaker.

Gwen lived in the city of Clark, Deweese County. As a member of the Federalist Party, she was appointed to the position of Secretary to the Mayor of Clark City.

Judy was a Nationalist from Cook City, Marsh County. She was defeated in her bid for Attorney General and County Common Pleas Judge and was appointed to the Board of Education.

Hobart City, Merrit County was the place Pam lived. She ran for and was elected to the position of Hobart City Council on the Federalist Party.

Karen was a Nationalist. She lived in Sherwood City, Thomas County. She was elected to Sherwood City's Board of Education.

Girls from all over the state of Ohio attended the convention at Capital University in Columbus. During this session, the girls learned the duties, privileges, and responsibilities of citizenship. They also studied and participated in the field of government in the city, county, and state levels. The girls learned to accept not only success with humility, but also defeat with graciousness.

The delegates to Boys' State, which was held at Ohio University in Athens, this year were Robert Malone and Luther Witte. The alternates were James Breit and Gary Battershall.

Buckeye Boys' State operates as the fifty-first State of the Union. In this model of state government, the boys lived in cities and counties and elected various officials of their cities. The cities were made up of fifty boys, half of which were of the Federalist Party and the other half of the Nationalist Party. About 1,400 boys attended the convention this year.

Rob was a member of the Federalist Party. He lived in Suhr City, Konald County. He ran for and was elected to the House of Representatives.

Luke lived in Herbert City in McQuigg County. As a member of the Nationalist Party, he was a state delegate to the National Convention. Luke was appointed to the position of Director of Development after he was defeated for Lieutenant Governor.

This was the 10th consecutive year that Boys' State was held. Many men prominent in business, professional, and government life volunteer their time to serve as advisers. The boys set up their own local and state governments, electing officials on all levels.

Juniors

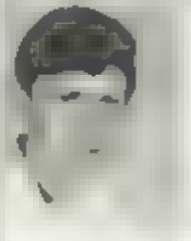

The 1968-69 Junior Class officers were Bill Rastetter—president, Jack Wyles—vice president, Debbie Breit—secretary, Connie Hirst—treasurer. They were advised by Mr. Robert Moore. At rallies and sports events, the Juniors showed their loyalty. The Juniors sponsored the

Junior-Senior Prom which was widely attended and this was the first year Juniors participated in the National Honor Society. These students will be the future Seniors of 70, and they look forward to the coming year with anticipation.

Sophomores

The Sophomores chose these people as their officers for 1968-69: Mike Hettler, president; Olyn Boyle, vice president; Diane Scott, secretary; Tom Boyce, treasurer. This year the Sophomores gained more responsibilities. They attended the homecoming dance and received

school jackets in the fall. Their thoughts turned to the future as they approached their last two years of high school. Although hard work confronted them, they also had time for extracurricular activities. The Sophomores were then a distinct part of the high school.

Administration Provides Leadership

Melvin Snode
Head of Guidance Dept

The administration provided the necessary leadership to make the high school function smoothly and efficiently. These people assumed the responsibility for the well-being of the high school students.

The administrators were aided by counselors: Melvin Snode, Fern Coulter, and Helen France. The counselors aided many students in making decisions that would influence their lives.

The administration was headed by Superintendent Harold Hall whose job was to supervise all aspects of school life. He was backed by the Board of Education. These people spent many hours trying to improve the school and to assure the best possible facilities.

Faculty Emphasizes Participation

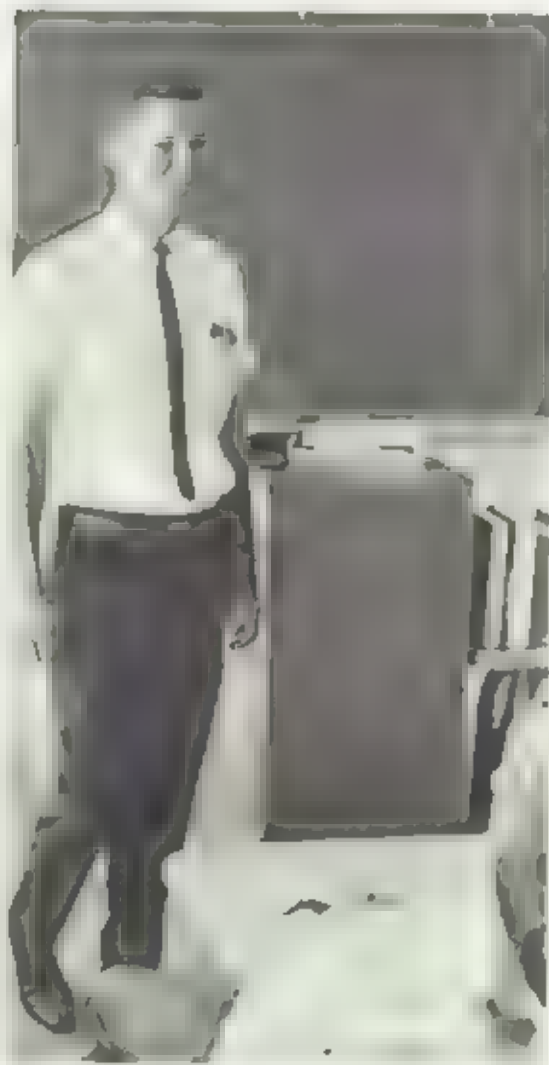

William Brackney
Vocational Agriculture

Knowledge was the goal that every student strived for. Students were supposed to remember the things they learned and apply them in everyday life, not just memorize them for a test and after that forget about them. Teachers tried to make their classes more interesting and challenging so the student would have a greater desire to participate and to learn. Participation was emphasized in order to encourage the students to apply what they had learned.

The faculty did an excellent job this year. Every student learned many things that will be useful to him later in life.

Science Profits All Walks of Life

Science is used in all walks of life. Whether one is to be a housewife or businessman, science is a necessity. Mr. Kay Vaughan was in charge of the science department and was assisted by Mr. William Umberger, Mr. Robert McClain, Mr. Kenneth Simpson, and Mrs. Grace Hatch.

The Science Department was well equipped for extensive experimentation by many students. Such experimenting provided a further understanding of many difficult concepts.

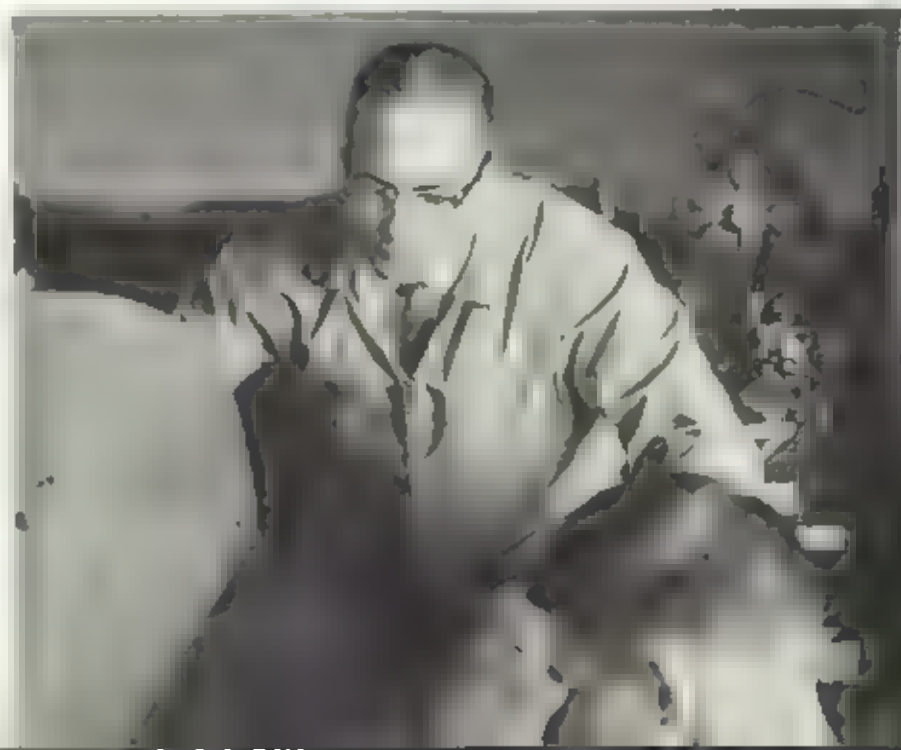

The science curriculum consisted of fine general science, biology, chemistry, and physics programs. These courses provided a well-rounded knowledge of science for every student.

The social studies courses provided a better understanding of our nation's background and also conveyed how other nations have influenced us as well.

With the help of globes, maps, and texts, the social studies teachers taught the students about our nation.

With audio-visual equipment students learned more about social studies. Showing films helped students understand facts more clearly and made classes more interesting. Since social studies was more interesting, the students paid more attention, and therefore learned much more.

To be successful in teaching, a teacher must create an atmosphere of learning. The teacher followed through with this idea throughout the year.

Math Advances Knowledge for Future

Math will be used in any walk of life. Whether a businessman or a computer programmer, a person needs a knowledge of mathematics.

The math teachers were Mr. Robert Moore, Mr. James Sabin, Mr. Lawrence Marrazza, Mr. Darrell Sommers, Mr. Carlos Mason, and Mrs. Elda Meese, head of the department.

The courses offered were general math, Algebra I, geometry, Algebra II, and advanced math. From these courses the students learned the real importance of this part of their education. They learned that math is needed for almost everything.

Foreign Languages Convey Understanding

Foreign languages provided a better understanding of other nations. Not only did a student learn how to speak a language, but teachers also provided many interesting facts about the country's history and its people.

French, Latin, and Spanish were the courses offered at Marlinton. Mrs. Eleanor Ramser was the head of our Language Department, and Mrs. Grace Reighard, Mrs. Sally Sampson, and Mrs. Ada Sue DeHoff completed the language staff.

Teaching methods have been improved by the addition of the language lab. Many new tapes and records have been added this year. The language master machine which was purchased last year was a great aid to the language department.

Teachers Work Long Hours

William Steeber
Industrial Arts

Not many people realized the fact that a teacher's work isn't done at 3:30. For many teachers this time meant just the beginning of their jobs. Teachers spent many evenings planning lessons that would create an interest in learning. Many teachers attended classes this summer in order to better themselves. Their goal was to educate the students by giving them basic knowledge and inspiring them to attain further knowledge.

Many teachers sponsored various clubs and often also chaperoned at school dances. Besides regular teaching, each teacher was willing to give extra help to any student asking for it. Throughout the entire year the teaching staff gave their unfailing dedication to the school and the student body.

Band Music Provides Enrichment

Students expressed themselves in many ways, but one of the most important ways was through music. Whether happy, sad, or frustrated, emotions can be expressed by music. This holds true for almost everyone.

This year Mrs. Louise Bingham prepared her choruses for Thanksgiving, Christmas, and Easter chapels, and for many spectacular concerts. In this way, the holiday spirit was set for the students and faculty, and the music was just as great as ever.

Mr. James Waldeck led the band to brighter highlights by taking them many places. The band was well received at Cedar Point, the Ohio Swiss Festival at Sugar Creek, the Massillon Band Review, and the Marlington Alliance Band Spectacular. The band also attended many festivals and, of course, all the football games featuring light shows, dance routines, and many intricate movements.

The secretaries worked behind the scenes, assisting the administration in many ways. Mrs. Wartluft kept the school's financial records. Mrs. Nimon kept attendance recorded and records of athletic events. Mrs. Porter was secretary to the superintendent while Mrs. Prather assisted the clerk. Mrs. Swartz was secretary for Federal Programs and Mrs. Zellers worked with the librarians.

The cooks provided a well-balanced meal for the students. The cooks were Mrs. Evelyn Battershell—Cafeteria Manager, Mrs. Mae Burky, Mrs. Ethel Clayton, Mrs. Elda Dillon—Assistant Kitchen Manager, Mrs. Corrine Fisher, Mrs. Ruth Hickerson, Mrs. Catherine Monter, and Mrs. Naomi Sulper.

The custodian's job was to keep the school neat and clean. The custodians, headed by Mr. Louis Francis, consisted of Mrs. Margaret Elliot, Mr. Wade Fox, Mr. Donald Moulin, Mr. Richard Quillman, Mr. Charles Ritschard—maintenance supervisor, and Marion Matz.

If you don't have anywhere to go, you might not go anywhere.

Whatever you want to do with your life, don't wait till tomorrow to do it. You might just wait around so long that tomorrow never comes.

Size up the opportunities now. If you're going on to college, visit your nearest Timken Company plant—in Canton, Columbus, Bucyrus, New Philadelphia, and Wooster, Ohio, or Colorado Springs, Colorado. Find out what it takes to fit into a job in finance, engineering, sales engineering, production, metallurgy or research.

If you have a brother, sister or friend graduating from college this June, have them write to our Manager of College Relations for a career application blank.

If you're interested in learning a skilled trade, write for our free booklet describing apprentice training programs. For ambitious high school graduates, few companies can equal the challenges we offer. Or the chances for success.

Your future has to start sometime. And the sooner the better.

ALICE IN APPLIANCELAND...

You probably recall that at one point in her adventures in wonderland, Alice found she had to keep running faster and faster to stay in the same place. We know how she felt.

Over the years, dozens of companies have challenged the leadership of Hoover cleaners . . .

unsuccessfully. We've maintained our leadership through a constant program of product development and improvement for our cleaners, and for our many other products.

So, in effect, we keep running faster and faster to stay where we've always been . . . in first place.

It isn't easy, but it would be a lot tougher without the dedicated skills of all the men and women of The Hoover Company.

In closing the 1969 *Scenario*, we would like to extend our gratitude and appreciation to the administration for their patience, to the faculty for their help, to the student body and anyone else who, in some way, helped us in the publishing of our yearbook. We especially want to give special thanks to our *Scenario* staff, Mrs. Janet Spencer and Mr. Jim Parkinson, our Consolidated representative, for their help and guidance along the way.

We have tried to capture between these covers some of the highpoints of the 1968-69 school year. We hope, even though we know it will not please everyone, this book will be cherished in the future.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is arranged in several lines, with some words appearing to be in a different script or language, possibly indicating a mix of languages or a specific dialect. The handwriting is fluid and characteristic of the 18th or 19th century.

Handwritten text at the bottom of the page, possibly a signature or a closing remark. It appears to be a single line of text, written in the same cursive style as the main body of the document.

The first of these is the
 fact that the system is
 not self-sufficient. It
 requires a constant
 supply of raw materials
 and energy. The second
 is that the system is
 not sustainable. It
 requires a constant
 supply of capital and
 labor. The third is that
 the system is not
 equitable. It requires a
 constant supply of
 wealth.

Connie,
 To a really
 sweet gal. We have
 been friends for longer
 than I can remember &
 I hope it remains that way.
 Bless a Good Luck

Connie,
 you're a great
 friend. It's been
 nice getting to know
 you this year. We
 have lunch together
 next year, but you're
 going to promise to
 help me with my
 homework and
 your help.
 Bless,
